from our PRESIDENT

Dear Parents, Alumni and Friends,

Welcome to the 18th annual Celebrate West! Auction. With gratitude abound, we have many things to celebrate!

The 2023-2024 school year has been another successful one for West Catholic. Sports and extracurriculars continue their winning streaks, placing the Falcons as leaders in our state and nation in many areas, such as esports, robotics, band, choir, volleyball and girls basketball. Meanwhile, 26 West Catholic students studied in Spain and Italy this spring, marking the first time in Falcon history that our school has participated in international exchange programs. The community continues to recognize your children as well-rounded leaders and role models.

As you peruse tonight's program, you will notice a variety of items in the live auction and games throughout the room. Thanks to the details of each of these events in the program, you won't miss any of the action! Join me in participating in all the fun throughout the perimeter of the room and in the excitement of the live auction!

From welcoming a new family on a school tour to collaborating with an alumnus providing a legacy gift, the work here at West transcends the current student body. This year's Fund-A-Need video gives us a glimpse into how your gift tonight will impact generations of Falcons. Mark Johnson, a 2000 grad, came to mind as we recalled his lifelong dedication to West Catholic. From receiving aid himself to now running our youth football program, Mark candidly shares how financial aid comes full circle for him. Please consider the level of gift you can invest in our mission to ensure all the Mark Johnsons of this era are supported here at West.

Our goal is that every paddle is raised during the Fund-A-Need.

The cadence of this event is unmatched in the community—the sincere laughter and fellowship make Celebrate West an evening that we all look forward to attending each year. Thank you for being here to experience it. We appreciate all of your support for West Catholic. Donations of any size are important in helping us fulfill our mission to form disciples of Christ through a dynamic, excellence-driven Catholic education. Through the intercession of our patron, Saint John Paul II, I pray that tonight's success allows us to support families through our mission.

A special thank you is due to all of our staff and volunteers who made tonight possible. Taylor Holman and Megan Eversman are our event masters, tirelessly working out every detail. Michael Debri and Natalie Scalabrino brought refreshing innovations. Bishop Walkowiak provided his continued support. And Tony Fischer was, yet again, ready to roll with any new turn while maintaining the excellence we see at all West Catholic events. I appreciate the time, dedication and energy everyone brings to Celebrate West.

Together in Christ,

Jill (Wierzbicki) Annable

This evening's GAMES AND RAFFLES

PLAY THEM ALL!
May the odds be ever in your favor...

► Golden Ticket

Only one of the 100 lottery tickets being sold at \$100 a piece will be a winner tonight. Whoever is the Golden Ticket winner will get a choice of ANY Live Auction item before the Live Auction begins. That means, for \$100, you could choose a trip to Mexico, a trip to Florida or reserved seats for the home football games!

Only 100 lottery tickets will be sold, which is a 1:100 chance to win! Prior to the Live Auction, purchasers will be directed to scratch off the lottery tickets at the same time. **DO NOT DO SO** before instructed to do so by our auctioneer. If you have the winning Golden Ticket, you will have one minute to select your Live Auction item by 8 p.m.

► Wine Pull

A wine pull is a “drawing” for wine! Each person purchases a numbered cork for \$20 and then matches up the number on the cork with the number around the bottle. It’s that simple!

Many of the bottles are valued at more than \$20, so you have the chance to win a nice bottle of wine for only \$20! Upon winning, take your bottle — we can even open it for your consumption tonight!

► Bucket Raffle

Back by popular demand, our bucket raffles offer you a great opportunity for awesome prizes. The more tickets you buy, the more chances you have to win! All you have to do is buy as many tickets as you would like — only \$5 per ticket — and drop your tickets in the buckets of the prizes you would like to win and wait for the drawing! You can insert multiple tickets per bucket to increase your chances of winning that item.

Make sure to check them all out! **You must be present at the time of the drawing to win.**

► Big Cash Raffle

A perennial favorite — each big cash raffle ticket costs \$20 and the winning payout is **\$5,000!** For every five tickets purchased, enter the name of a WC student for the chance to win a \$1,000 tuition credit (tuition credit valid until start of the 2028 academic year). Tickets are available at the raffle table. Both winners will be announced prior to the start of the live auction!

Note that if fewer than 550 tickets have been sold, the raffle will convert to a 50/50 drawing. Winner is responsible for all applicable taxes.

► Best Chance Raffle

Your best odds at winning a fabulous prize! Each square is \$50, buy as many as you want! You will have a one-in-fifty chance of winning an 85” 4K Smart TV and a 7 cu. ft. chest freezer. If that’s not enough, stock your new freezer with \$100 of meat from Frank’s Market! These will go fast so make sure you grab your chances early.

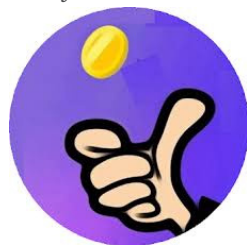

► Heads or Tails Game

Outlast all the other contestants and you will take home the Danby Single Tap Keegerator, and a Broil King Baron Gas Grill and a 65" 4K Smart TV.

Volunteers will be selling bead necklaces for only \$20 per strand or 15 beads for \$250. Be sure to purchase your beads early in the evening and buy up to 15 strands. *(Please note: each player may start the game with a maximum of 15 strands of beads!)*

Don't be afraid to "over-accessorize" as you won't want to miss out on this fun and hilarious game!

How to Play STAND

Those who purchased beads must stand up wearing their beads.

GUESS

Choose heads or tails: Indicate guess by placing hands on either your head or on your "tail." Your hands must be in place before the coin toss and left there until the results from the coin toss are announced!

COIN TOSS

Coin is tossed by our Emcee and the results announced.

REMAIN STANDING

If you guessed correctly, remain standing. **If you guessed incorrectly**, but you have multiple necklaces, remove one strand of beads and wait for the next coin toss. Play each round with your remaining necklaces until you run out!

SIT

If you guessed incorrectly and are out of necklaces for the next round, please sit down.

You can continue to play as long as you still have a strand of beads. Players can change their predictions in between rounds, but not once the coin is flipped for that round. The play continues until only one person remains standing and is declared THE WINNER!

► Elimination Raffle

The winner of this raffle will receive a \$1,000 gift certificate toward a memorable trip to historic Mackinac Island to stay at the Grand Hotel. Bike around the island, play a round of golf, check out The Butterfly House, or enjoy a horse-drawn carriage ride. Whatever you do, enjoy the slower island pace.

Each chance to win is only \$25. There will be limited numbers sold so make sure to purchase your numbers early!

Choose your number, and once all of them are sold, we will begin the elimination process. Ten numbers each will be eliminated the first few rounds, then five numbers. We will eliminate the last five numbers one by one, and the last number remaining is the lucky winner!

► 50/50 Cash Raffle

What's a West Catholic Auction without a 50/50 raffle?

That's right; tonight you have a chance to win big!

Ticket Cost: \$5 each, 6 for \$20 or your wingspan for \$50.

What a deal!

How the 50/50 Raffle works:

- Tickets available for purchase from strolling ticket sellers
- Cash is counted then split in half with West Catholic receiving 50% and one lucky winner receiving the other 50%
- You must be present at the time of the drawing to win

THANK YOU *to our sponsors!*

AUCTIONEER

Our Auctioneer for this evening is Managing Partner and Lead Auctioneer of Lamoreaux & Associates, Jason Lamoreaux. Jason grew up surrounded by the sights and sounds of his family's auction business and is a proud product of Catholic Schools. Jason has over 25 years of experience in the auction business, having led his first auction at age 15. Since then, he has conducted hundreds of auctions from coast to coast. Jason attended the Missouri Auction School while still in high school and then earned both a Bachelor of Arts and Master of Arts in Business Administration. He is a member of the National Auctioneers Association as well as the Michigan Auctioneers Association, for which he was named Auctioneer Champion. We are thrilled to have Jason with us again tonight!

LIVE AUCTION

It's so easy and fun!

Live Auction Bidding

It's easy to be a part of our live auction! If you'd like to bid, simply raise your bid card at the desired bid amount. Your bid card is inserted inside this program. For your convenience, your bid number is also printed on your nametag.

Please check the program and examine each item's description carefully — there may be stipulations and/or expiration dates associated with the item.

Each live auction item up for bid is generally a one-of-a-kind item. Occasionally, however, a donor may decide to offer a duplicate item in the case of a "bidding war." Using this offering is at the discretion of the auctioneer and both bidders must pay the same price for the item.

Some live auction items are geared toward a group of bidders. In that case, it's in your best interest to have only one person from the group doing the bidding. *When the bidding closes for the item, the winning bidder may provide us with a list of names and bid numbers for the group, and the cost can then be divided and charged to each member of the group.* If that information is not provided, the winning bidder will assume the full charge of the item.

After a successful bid, a signature and bid number are required to verify the bid. A signature on an oral bid constitutes a legal contract to buy.

How to Bid On Items

- You must have a bid number (received at check-in) to bid on auction items.
- The auctioneer will describe each item and open bidding with a suggested dollar amount.
- To bid, simply hold your bid number up high so that our spotters can see it.
- The auctioneer will acknowledge your bid by calling out the amount you are bidding.
- The auctioneer will determine the highest acceptable bid and call the winner.
- Winning bidders will be asked by the spotters to sign an auction receipt, at which time they should verify that the bid number, bid amount and item description are correct.

By bidding, you are stating that you are ready and willing to purchase an item for your bid amount. The winning bid is final and non-retractable.

Making arrangements for trips, outings, or similar live auction items is the responsibility of the winning bidder.

Three Unique Auction Formats

During the auction we will be offering three different ways to bid and donate — participate in all three!

- 1. Traditional Live Auction:** Will be conducted as described above.
- 2. Gift Card Frenzy:** A wide variety of gift certificates will be offered at two different times during the auction. The auctioneer will read the name and amount of the gift certificate prior to offering at retail value. The first visible paddle to the auctioneer will be the winner. (However, the auctioneer does reserve the right to hold a short "bid off" on the certificate if there is more than one paddle in the air.)
- 3. Fund-A-Need:** During the live auction there will be a special fund-a-need opportunity to benefit tuition assistance. Tuition for the 2024-25 school year will be \$12,400. While every family pays something, almost half of our students receive some form of tuition assistance. The Auctioneer will start out with a donation level of \$10,000. He will allow time for everyone who is interested in donating at that level to raise their paddle so their bid numbers can be recorded for that amount. He will then move down to the next lower donation level and will continue that process down to **\$100**. This is a great way to help provide much-needed tuition assistance funding! We are so appreciative of any amount!

Tax Information

Your receipt serves as your documentation for the IRS. Amounts paid for raffles do not qualify as deductible charitable contributions. Sales tax is included in your bid amount on taxable items by state law. West Catholic must report winnings of items valued at \$600 or more to the IRS on a W-2G Form. Winners will be asked to complete a W-9 Form: Request for Taxpayer Identification Number and Certification for Tory Smith, Business Office Admin. For all winners of items valued \$5,000 or more, West Catholic must withhold taxes from the winning proceeds and send it into the IRS along with a W-2G Form. Tory Smith will also need these winners to complete a W-9 Form. All items are sold "as is." This applies to the value, quality and condition of all auction items. All sales are final. No exchanges or refunds on auction items are permitted. Some items may have restrictions; please check the item descriptions in this program for details. In the case of a service provided by a third party, it is the bidder's responsibility to contact the provider to arrange the date, time and other details.
